

ABSTRACT

The research method used is descriptive analysis. The data in this study were obtained from interviews with Sat Shabara Polrestabes Bandung and based on document studies.

The results showed that there were 4 forms of patrol carried out by the Bandung Police, namely walking patrol, bicycle patrol, motorbike patrol, and car patrol. The patrols that are most routinely carried out are motorbike and car patrols because they are more effective in providing services to the community.

The supporting factor for sat shabara in preventing and overcoming street crime is doing good cooperation with the community and independent pam both on the streets and in the center of the crowd, the placement of personnel in locations prone to street crime equipped with weapons and patrol vehicles, readiness of vehicles, facilities and infrastructure Both in carrying out police duties, as well as obstacles. There are still many people who use luxury goods in public spaces excessively, which creates opportunities for street criminals, there are parties / people who intend to commit street crimes due to various factors, Lack of public awareness in helping or prevent in case of street crime cases.

ABSTRAK

Metode penelitian yang digunakan adalah deskriptif analisis. Data dalam penelitian ini di peroleh dari hasil wawancara terhadap Sat Shabara Polrestabes Bandung dan berdasarkan studi dokumen.

Hasil penelitian menunjukkan bahwa bentuk patroli yang dilaksanakan polisi Polrestabes Bandung ada 4 yaitu patroli jalan kaki, patroli sepeda, patroli motor, dan patroli mobil. Patroli yang paling rutin dilaksanakan adalah patroli motor dan mobil karena lebih efektif dalam memberikan pelayanan kepada masyarakat.

Faktor pendukung sat shabara dalam pencegahan dan penanggulangan kejahatan jalanan adalah melakukan Kerja sama yang baik dengan masyarakat dan pam swakarsa baik di jalanan maupun pusat keramaian, Penempatan personil di lokasi-lokasi rawan kejahatan jalanan dibekali dengan senjata dan kendaraan patroli, Kesiapan kendaraan sarana dan prasarana yang baik dalam menjalankan tugas kepolisian, adapun hambatan Masih banyak nya masyarakat yang menggunakan barang mewah \ berharga diruang muka umum secara berlebihan menimbulkan kesempatan pelaku kejahatan jalanan, Adanya pihak / orang yang berniat melakukan kejahatan jalanan karena berbagai factor, Minimnya kesadaran masyarakat dalam membantu atau mencegah apabila terjadi kasus kejahatan jalanan.
